

SOS WANTED

FOSTER HOME FOR HENRY

Henry is a 3 year old ex racing greyhound who is quite a character. He is full of fun, loves his food, snuggles and cuddles and his favourite pastime is playing with toys. Henry needs time, teaching and understanding to get him accustomed to a home environment. He needs a home with no small children (due to his size) and no small animals.

SOS will provide food for him and cover all veterinary costs for fosterers who preferably live within a 10 mile radius of Guisborough for viewing and vet purposes.

Are YOU that special person who could give this lovely boy a new start in life??
